ANNOUNCEMENT

Dear Clients,

As a result of the current national fight against COVID-19 pandemic and active participation of Rwanda Forensic Laboratory (RFL) in diagnostic testing process, DNA Unit will not follow the usual turnaround time until the reduction of COVID-19 testing.

1. Stain search and recovery will be reported after 2 months,
2. Kinship tests (paternity, maternity, kinship) from buccal swabs samples will be reported after 1 month and 2 weeks,
3. Kinship tests including other samples will be handled case by case according to the type of samples.
4. DNA analysis on stain will not be performed until further notice.

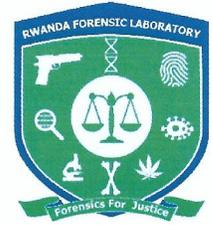

We thank you for your kind cooperation.

Dr Francois SINAYOBYE
ACP
Director General / RFL
